

ST. FRANCIS HOME
REHAB & SKILLED NURSING
Healing... In the Light of Faith

6/25/2014

St. Francis Home, the Saginaw Diocese's own Catholic Rehab and Nursing center is celebrating its 60th year of service. 2014 has been a year of awards and recognition for St. Francis Home. It received:

- ✓ **Multiple 5 STAR CMS Ratings**
- ✓ **2014 Governor's Award of Excellence in Health Care**
- ✓ **2014 U.S. NEWS TOP RANKED NURSING HOME as one of the best skilled facilities in the country.**

As news of the awards extends, many have said they did not even know of the existence of St. Francis Home. Please call for a tour and become part of our unfolding story of new programming, services and new construction.

Many are now caregivers for family and neighbors. Care giving alone can be overwhelming. We can ease that burden and assist in compassionate care for your loved one. Let us help you navigate through some of your nursing home questions & concerns that you may have.

Would an Adult Day Center at St. Francis Home help you to take some time for your own healthcare, rest, or provide peace of mind while you shop? Give us a call today. We want to plan future services to meet your needs.

Experience Health Care at its Best! Please consider St. Francis Home for your loved one.

Looking for Work? Job opportunities are available for RN, LPN, Certified Nurse Aid, Restorative Nursing Dietary, and Social Work.

Wanting to give back through Christian service? Consider donating your time and talents as a St. Francis Home Volunteer. (See our Volunteer Form on the back page).

For more information, call Jacqueline at (989) 781-3150. Or Email to jacquelinel@stfrhome.org

Thank you and may God bless you,

Volunteer Application
